COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Per Examiner's request, Applicants resubmit copies of the Form PTO-1449 and references listed thereon in connection with the above-identified patent application. Applicants also submit a new Form PTO-1449 which corrects the typographical errors found on the originally submitted form. Both forms list the same references.

A fee is not included with the present submission as the references listed on the attached Form PTO-1449 were originally submitted with the Information Disclosure Statement filed on

sd-144115

April 6, 1998, prior to receipt of the first Office Action on the merits. The Examiner is requested to make these documents of record in the application.

In the unlikely event that the transmittal letter is separated from this document and the Patent Office determines that an extension and/or other relief is required, applicant petitions for any required relief including extensions of time and authorizes the Commissioner to charge the cost of such petitions and/or other fees due in connection with the filing of this document to **Deposit Account No. 03-1952** referencing **261922003302**. However, the Commissioner is not authorized to charge the cost of the issue fee to the Deposit Account.

Dated: May 12, 2003

Respectfully submitted,
